Welcome to CosmoLex! Your Firm has joined thousands of legal professionals who are using our state-of-the-art Law Practice Management System.

Setting up your Account may seem like a daunting task. No Worries! We have put together this **User Set Up Guide** so that you can get your CosmoLex Account up and running.

This guide will walk you through your first steps:

- [Account Settings](#)
- [Email Set Up](#)
- [Calendar Integration](#)
- [CosmoLex Day to Day Tasks](#)
- [Where can I go for Help and Training?](#)

Before Getting Started with setting up your Account, please take a moment to watch a short video to see a quick guided tour of your CosmoLex Account.

Getting Started

Account Settings

It is important that you review Important settings. The Link Below will take you to our My Settings Page. Here you will learn about the settings that you should focus on for now. No worries, changes to your setting can be made as you use the system.

- [My Settings](#)

CosmoLex Apps and Integrations

Email Forwarding Set Up

CosmoLex allows the forwarding of your emails into the system for easy tagging to matters. This will help organize your emails on the matter level, and manage billing for emails if needed.

- [Configuration of Email Forwarding](#)

Phone: (866) 878-6798 • US Support: (732) 595-9015 • CA Support: (365) 804-0050

Syncing your Office 365 or Google Calendar with CosmoLex

We provide a two-way sync between your CosmoLex calendar and your Google calendar or Office 365 Calendar. This real-time sync allows for easy tagging to matters for organization and billing purposes.

- [Sync Your CosmoLex Calendar with Google Calendar](#)
- [Sync Your CosmoLex Calendar with Office 365 Calendar](#)

Now that you have your Emails and Calendar Integrations set up please review the articles below that will go over how to Manage these areas.
